

# SPONSORSHIP OPPORTUNITIES

United Way St. Croix & Red Cedar Valleys is bringing a **DAY OF CARING** back to Dunn & Pepin Counties!

Volunteers across the two counties will come together in service to the community. The day will begin with check-in, welcome breakfast reception, volunteer and sponsor recognition and picking up of materials at Bill's Distributing.

Teams will then head to their assigned projects, with the event ending at 1pm.

Give back to the community and show your support as a sponsor for this year's event.
